

Fairfield Civic League Meeting on Monday at 7 PM, November 7th, at the Fairfield Elementary School.

We will have the opportunity to talk with Candidates running for the School Board. Trenace Riggs, Beverly Anderson, and Francis Knight Thompson will be at the meeting to give a brief introduction, talk about their campaign platform and possibly take a few questions before the election on Tuesday.

The Traffic Committee will be discussing with the Civic Traffic Calming along Lord Dunmore Drive. The traffic volume and vehicle speed remains a concern. In addition, the intersection at the Lord Dunmore Drive and Oakmeads Crescent presents a problem during peak hours. The vehicle traffic from the apartments present a problem.

I would like to think that we should strive to have a vision where "Fairfield takes care of its own." We will be working to address issues at our meeting and look for ways to strengthen our neighborhood.

If you are not a member of the Civic League, please join.

Warm Regards,

Matt Maxwell
